Private Investigator Rafe James knew attorney Libby Corbett wasn't safe—even before the death threats. And just the thought of something happening to Libby shook Rafe to his core. He whisked her off to the Crooked Arrow Reservation where he could offer his round-the-clock protection. Libby's only interest in Rafe was as her bodyguard, and that suited him just fine. Having buried the memories of his Native American past, along with his emotions, Rafe wasn't about to make any promises—to anyone. But then Libby was snatched in the night and Rafe realized that the only place Libby would truly be safe was in his arms.
