Formula for Danger (Sonoma Series Book 2) Camy Tang

Someone wants dermatologist Rachel Grant's latest research, and they'll do *anything* to get it. Including trashing the plants needed for her breakthrough scar-reducing cream--and trying to run Rachel down. Desperate for help, she turns to Edward Villa, the only man she trusts. But the greenhouse owner knows too much about Rachel's research, and now he's a target, too. Break-ins, muggings, murder...the would-be thief is getting desperate--and getting closer. Edward vows to protect Rachel at all costs. Yet with time ticking away, Edward knows they have to uncover the madman shadowing Rachel before their chance for a future is destroyed.
