**If You Love This Planet: A Plan to Save the Earth (Revised and updated)** Helen Caldicott

“Helen Caldicott has the rare ability to combine science with passion, logic with love, and urgency with humor.” —Naomi Klein

From the leader and spokeswoman of the antinuclear movement comes a revised and updated edition of this groundbreaking, widely acclaimed classic. Exploring dangerous global trends such as ozone depletion, global warming, toxic pollution, food contamination, and deforestation, Helen Caldicott presents a picture of our world and the forces that threaten its existence. As always, she gives a prescription for a cure and cause for hope, rallying readers to action with the contention that our fight for the planet will draw its strength from love for the Earth itself.
