## **Munchkin #5** Thomas Siddell

THE FUTURE! Everyone lives underground now. The shadowy government decides to send someone back in time to rectify past mistakes. The time traveller runs into other time travellers, including a cyborg hunter sent to "terminate" a military leader, two high school kids on an Excellent Adventure, a crazy doctor and a young man who seem to be travelling back to the past/future, and Jeanne Claude Van Damme as TIMECOP from the movie TIMECOP. Turns out the future was messed up by all these conflicting time-travelling jerks.
