**Simon Bolivar's Quest for Glory (Texas A&M University Military History Series, 86.)** Richard W. Slatta, Jane Lucas De Grummond

Earning glory on the fields of battle, Simón Bolívar (1783–1830) was one of the most influential and enigmatic figures of Latin American history. Most North Americans know little of "the Liberator" who freed South America from Spanish rule from 1810 to 1826. Richard W. Slatta and Jane Lucas De Grummond bring forth the entire life and legacy of Simón Bolívar, with special attention to the ups and the downs of his military career in *Bolívar's Quest for Glory*. Bolívar's life contained all the makings of an epic war hero: repeated comebacks from defeat, flashes of military genius, tremendous mood swings, dogged persistence, a near-maniac quest for glory, and fall from political grace. He exhibited both military leadership and foolhardiness. Egomaniacal, he strived for military might and political power. The tragedy of his life and his political legacy remain hotly debated, but no one would deny this man's historical significance. Drawing from an immense corpus of writings left behind by Bolívar, his allies, and his enemies, the authors transport the reader back to the life and times of the Liberator, introducing lesser known people who fought on both sides of the conflict and showing how Bolívar did not win Spanish American independence all on his own. Voices of the past ring from this rich narrative—expressions of admiration for Bolívar's courage, leadership, and vision, as well as proclamations of the leader's failures and weaknesses. The first ever biography to suggest that Bolívar suffered from bipolar disorder, *Bolívar's Quest for Glory* treads new ground and shows how the conflicts he faced during the independence era set a political pattern followed by much of Latin America for the next century. Scholars and fans of military history, anyone interested in the development of modern Latin America, and readers of great biography will all welcome this book.
