The 12 Days of Christmas Rachel Isadora

Set in Africa, this beautiful rendition of the classic Christmas carol has a unique twist: colorful icons illustrate the various gifts repeated in each verse of this cumulative song, creating a rebus-style text that gives young children a fun way to follow along and chime in with the lyrics. The gorgeous, wonderfully detailed collage illustrations, comprised of colorful kente cloth and cut paper, feature tribal drummers and dancers, traditional clothing and native wildlife, making every scene as visually striking as the last.
