**The Nicene Creed For Today (Pocket Faith)** Br. Gregory Simpson

Although the Nicene Creed dates from the fourth century, the story of how it was written is quite contemporary-an account of people of faith fighting half-truths that threatened to ravage the Christian world.

"Simpson offers a brief, clear layman's narrative of how the Nicene Creed reached its present form, and shows how it focuses the unchanging realities of the gospel."

Dr. J. I. Packer, Professor, Regent College
