A Colour Atlas of Longitudinal and Transverse Vaginal Septum (Volume 31) (Single Surgical Procedures in Obstetrics and Gynaecology) Nagrath Arun

This book A Colour Atlas of Longitudinal and Transverse Vaginal Septum have set out to simplify surgery by creating a step-by-step procedural process, illustrated to emphasise those surgical steps, which are critical to the individual procedure under consideration. This book is organised into multiple volumes on all gynaecological and obstetrical surgical procedures related to the female genital organs. Special sections are dedicated to patient positioning, type of incision, their closures along with proper use of drains, suture choices, etc. The book is enhanced by full colour illustrations and photographic reproductions. Special attention has been paid to the illustrations and photographs to make them more accessible and informative. The technical description is superb and to the point.
