The Color Me! Adult Coloring Book series are coloring books developed specifically for adults. "Color Me! Boston Architecture" includes images of select buildings throughout Boston, MA showing the blend of old and new designs. The images are more than simple outlines; set up to be colored in or painted on as you desire. Each image is my individual creation, and will not be found in coloring books designed for kids.

Level 3 books include a mixture of solid outlines and rough guidelines. Some interpretation of background images is required. The images are printed on white bond paper, ready for crayon, color pencil, charcoal, or paint.
