Did you know that a tornado travels faster than a race car? Or that a human and spider travel at the same speed? *Full Speed Ahead!* is the first picture book to directly compare the speeds of animals, modes of transport, and forces of nature in a clear and visually striking album format. Objects are grouped from slowest to fastest, with objects of the same speed on one spread, creating fascinating “match” races. And with a sleek, graphic design and vibrant spot-color printing, *Full Speed Ahead!* is as gorgeous to look at as it is informative to read. On your mark, get set, go!

Praise for *Full Speed Ahead!*

"The information will intrigue curious minds."
