When the bar tender, a very beautiful woman that looked to be about our age, brought us our drinks, Tammy started talking to her. She was flirting with her. I couldn't believe her. My little slut. I loved it. I casually set my hand on her thigh and started slowly stroking her leg. The bar tenders name was Gina and she seemed very interested in talking with us. My hand slowly made my way up Tammy's leg until it was under her skirt and I could tell that her pussy was bare, and wet. She stumbled on her words a little when I slid my finger in her, but did her best to keep talking to Gina. I kept it slow, I didn't want her to cum, I just wanted her as horny as I was. Gina leaned in and told us that our gorgeous breasts were swelling in front of her eyes. I think we were both blushing a little and I looked right at her and said that hers would be too if she was as horny as we were. She let us know that she was getting there just by talking to us. Tammy now had her hand on my leg and working her way up to my bare pussy. Neither of us bothered with panties tonight. And our skirts were short enough that we didn't leave much to the imagination.
