Oddballs William Sleator

The Sleators are not your average family . . .

When author William “Billy” Sleator was growing up, life was a never-ending adventure. The best presents his parents ever gave him and his sister, Vicky, were 2 younger brothers, Danny and Tycho. The 4 siblings delighted in playing pranks on one another and on their unsuspecting friends and neighbors. The children’s mother and father also liked to joke around. Their mom, who was a pediatrician, came up with a witty name for the kids’ drama club: the Parkview Traumatic Club. Their dad, who was a physiologist, would sometimes blindfold Billy, along with his sister and brothers, and take them for a ride—dropping them off in an unfamiliar place and telling them to find their way back with only a single dime to make a phone call.

Whether he’s regaling us with tall tales about hypnotism and séances, riffing on his family’s deepest secrets, or waxing philosophical about being liked for who you are and not who you hang out with, Sleator offers an illuminating window into his unique and offbeat family, in which life was lived to the fullest.
