Os Chineses (Portuguese Edition) Cláudia Trevisan

Os chineses nos intrigam. O regime é comunista, mas a economia é capitalista. Eles ficaram enclausurados durante os quase trinta anos de governo de Mao Tsé-tung e agora viajam pelo mundo todo e são os maiores usuários de internet do planeta. Quem são, afinal, esses 1,3 bilhão de chineses? Por que a relação do país com o Ocidente - e com os vizinhos - mudou tanto ao longo do tempo? Como esse país milenar, responsável por invenções importantíssimas para a humanidade como o papel e a bússola, pode ser acusado de copiar tecnologias estrangeiras? A jornalista Cláudia Trevisan, que vive e trabalha na China, nos conta isso e muito mais: desde os exóticos ingredientes da culinária chinesa aos segredos da medicina; da política de filho único até o papel da mulher na sociedade; da mudança de comportamento entre os jovens até os bastidores das Olimpíadas 2008. Tudo é superlativo na China. Este livro, ricamente ilustrado, nos ajuda a compreendê-la.
