## Shockaholic Carrie Fisher

Infused with Carrie Fisher's trademark incisive wit and perfectly poised on the heels of *Wishful Drinking's* instant *New York Times* best-selling success, *Shockaholic* takes listeners on another rollicking ride into her crazy life.

Told with the same intimate style, brutal honesty, and uproarious wisdom that placed *Wishful Drinking* on the *New York Times* best-seller list for months, *Shockaholic* is the juicy account of Carrie Fisher's life, focusing more on the *Star Wars* years and dishing about the various Hollywood relationships she's formed since she was chosen to play Princess Leia at only 19 years old. Fisher delves into the gritty details that made the movie - and herself - such a phenomenal success, admitting, "It isn't all sweetness and light sabers."
