Wings of Love Scotty Cade

Devastated after losing his partner of fifteen years to cancer, Dr. Bradford Mitchell tries to escape the emptiness and loss by leaving his life in Seattle behind. Traveling to the Alaskan mountains where he and Jeff often vacationed, Brad reconnects with Mac Cleary, the ruggedly handsome and very straight floatplane pilot who had flown them to Hyline Lake many times in the past. Brad and Mac form an unlikely friendship and buy an old log cabin together, and as he and Mac begin to bring the old cabin back to life, Mac watches Brad come back to life as well, stirring emotions in him he's never felt for a man before. When fear, confusion, and a near tragedy threaten to force the two men apart, they'll face some tough questions. Can Brad let go of Jeff and the guilt he feels about beginning to care for another man? And can Mac deal with his fears of being gay and accept the fact that he is in love with Brad? It will be a struggle for both men to keep their heads and hearts intact while exploring what life has to offer.

Jeffrey Call:

As a university student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Wings of Love can make you truly feel more interested to read.
