Indoctrination U: The Left's War Against Academic Freedom David Horowitz

In 2003, David Horowitz began a campaign to promote intellectual diversity and a return to academic standards in American universities. To achieve these goals he devised an Academic Bill of Rights and created a national student movement with chapters on 160 college campuses. Take No Prisoners is a riveting account of the reaction to Horowitz's campaign by professor unions and academic associations, whose leaderships have been taken over by the political left.
