Hidden History of Augusta

Dr. Tom Mack

Hidden History of Augusta Dr. Tom Mack

Situated along the Georgia border, Augusta is known for its golf, beautiful private gardens and southern culture. But its history is also brimming with strange stories yet to be told. A beleaguered German princess gave the city its name. A “haunted pillar” survived a tornado that destroyed the area in 1878. The famous Wright brothers opened a branch of their flying school here in 1911. Author and historian Tom Mack uncovers and celebrates these gems hidden in Augusta’s rich and teeming history.
