## **The Massive #5** Brian Wood

"Running low on crucial supplies, the crew of the \_Kapital\_ head for a supposedly abandoned science station in Antarctica. But when Mary, second in command aboard the \_Kapital\_, and Ryan, the only American aboard, find the station occupied, a supply run turns into a deadly fight for survival. A new series from \_New York Times\_ best-selling author Brian Wood. ""\_The Massive\_ . . . feels like sci fi getting back to its roots in speculative fiction, instead of being mired in alien invasions, single environment planets, and the same old. That, in case you can't tell, is a very, very good thing, and the largest reason to recommend this smartly written, subtle comic book."" MTV Geek"
