Few things hold the power to paralyze our lives like fear-fear of heights, of spiders, of clowns, of evangelism. In this four-week DVD curriculum, Greg Stier uses his creative delivery style to help teenagers and youth leaders discover how to overcome their fears about sharing their faith and cultivate a passion for sharing the gospel.

Along the way, Greg will introduce you to friends whose lives have been radically changed by God's good news of salvation-and friends who haven't let evangephobia hold them back from telling others about Jesus.

God will help your youth group conquer evangephobia. It all begins by asking for the courage to face down their evangelism fears, praying for friends who need Jesus, and then sharing the story of what God has done in their own lives!

FOUR ENGAGING TOPICS

- Facing Your Fears [6:05]
- Passion Fuel [4:59]
- Sharing Your Story [5:41]
- Dunamis: Dynamite [5:32]

You also get loads of helpful materials to help you use the curriculum, including discussion guides, promotional materials, and more. And all of the resources are editable and reproducible, so tweak away and infuse them with your ministry's unique personality!
