Title: Handbook For The Recently Haunted Subtitle: The Understanding And Removal Of Ghosts Back

Cover Description: I dedicate this book to those who are afflicted with a haunting and have little idea of what to do about it. Encountering ghosts can be a frightening experience, with hauntings that may last for years, and has caused people to move from their homes in the middle of the night never to return. There are many books about ghosts on the market which have mundane "ghost stories", without any useful or practical information on how to deal with them. Hopefully this book will finally help you find the answers you need.
