Silver Moon (Sam Keaton: Legends of Laramie) Sigmund Brouwer
Hard-hitting Western Action From Bestselling Author Sigmund Brouwer!

"God, I believe, is a patient cowboy himself, going deep and wide into the mesquite for stray souls like mine--."

So begins the action-packed, spiritual journey of Sam Keaton, a drifting cowboy determined to uncover the identity of the person who sent him a mysterious message. Penned by bestselling author Sigmund Brouwer, the two books in the Legends of Laramie series provide authentic western action with gritty characters and harsh landscapes.

In Silver Moon Sam Keaton's been cleared of wrongdoing and is now wearing a badge. Being on the right side of the law, though, doesn't seem to mean much when a bank robbery goes unsolved and a double murder only makes the townspeople distrust you more. To make things worse, a band of renegades ride into town lead by a beautiful but coldhearted outlaw. An explosive showdown seems to be nearing, and when considering his chances for making it out alive, Keaton wonders if he'll still believe in the truth when the dust settles.
