Words from a Man of No Words Osho

The book offers a radically different approach to life and to seeing the world. Short excerpts from Osho are selected to inspire, to provoke, and to trigger a self-reflection that leads to change. It is easy to read but perhaps difficult to digest . . . in essence, it is a meditation book!

"The truth that you will find — you will be surprised — is nowhere written, cannot be written. It is impossible to write it. It has never been uttered by anybody and it is not going to be uttered by anybody."

You are looking at a bit of magic here. It is as though the vast ocean is contained in a very small volume. Open this book anywhere and you come upon such a depth of wisdom, such utter truth, that even just a sentence can be the start of a new way of looking at life, a new way of living life to the fullest. This is a lovely gift to yourself or to share with a friend.

"I teach you to be authentic, integrated individuals with immense self-respect." — Osho
