**Pocket Clinical Examination** Nicholas J Talley, Simon O'Connor

Pocket Clinical Examination is an introduction to history taking and the examination of patients. It has step by step instructions for the junior medical officer working on the ward for the first time. It aims to provide a solid foundation from which students can develop their own systematic approaches. Details of the mechanisms of symptoms and signs, and comprehensive lists of differential diagnosis are not included but may be found in the larger text Clinical Examination. There is a section on writing and presenting the history and physical examination. PCE provides an introduction to physical examination and a place where students can go for revision before examining patients.

- Excellent line drawings closely keyed to the text
- Concise approach
- Examination of the major systems summarised
- New emphasis on evidence-based medicine
- New chapters added eg., coverage of advanced history taking, assessment of the acutely ill patient, introduction to examination of the skin
- Key anatomical drawings assist students understand the relevant clinical anatomy of regions of the body being examined
- Hints on how to approach OSCEs

### From reader reviews:

#### **Allison Price:**

What do you concentrate on book? It is just for students since they're still students or the idea for all people in the world, the actual best subject for that? Just you can be answered for that question above. Every person has distinct personality and hobby for every single other. Don't to be compelled someone or something that they don't would like do that. You must know how great along with important the book Pocket Clinical Examination. All type of book could you see on many solutions. You can look for the internet resources or other social media.

#### **Lisa Shumaker:**

Your reading 6th sense will not betray anyone, why because this Pocket Clinical Examination reserve written by well-known writer who knows well how to make book which can be understand by anyone who all read the book. Written in good manner for you, still dripping wet every ideas and producing skill only for eliminate your personal hunger then you still question Pocket Clinical Examination as good book not only by the cover but also by the content. This is one e-book that can break don't ascertain book by its handle, so do you still needing a different sixth sense to pick this particular!? Oh come on your examining sixth sense already said so why you have to listening to one more sixth sense.

#### **Joseph Mattie:**

This Pocket Clinical Examination is great guide for you because the content which can be full of information for you who else always deal with world and also have to make decision every minute. This kind of book reveal it info accurately using great organize word or we can claim no rambling sentences within it. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with lovely delivering sentences. Having Pocket Clinical Examination in your hand like getting the world in your arm, information in it is not ridiculous one. We can say that no e-book that offer you world within ten or fifteen moment right but this reserve already do that. So , this is certainly good reading book. Heya Mr. and Mrs. busy do you still doubt in which?

#### **David Gaiter:**
