What do you do when you have to choose between true love and the love of money?

Blu thinks she knows all there is to know about the dope game. She's watched her momma serve out of the same place they lay their heads since she was a little girl. Then her brother's best friend, Budz, steps up and shows her that there is more to the game than just selling drugs.

With love, loyalty, and wealth on her side, what more could she want? Blu quickly finds out when she is introduced to Black, a mysterious, sexy Trinidadian who is every girl's dream. Blu is determined to make him her reality. Torn between two men who have secrets and motives of their own, Blu has no idea what she's gotten herself into, but she knows there is only one way out.
