**BOOK SYNOPSIS** In 1904, Frank Wedekind nearly landed himself in jail. His play, *Pandora's Box*, was confiscated by the authorities for its lascivious passages, thought to undermine the social moral order. But Wedekind was no playboy --- which is perhaps why he was acquitted in the trial over Pandora's indecency. In this play, and others, Wedekind articulated an ageless truth about the destructive power of sexuality, a truth that continues to resonate with audiences today.

Setting the playwright in context to his personal life, social, historical and political events, other writers of influence, and more, you will quickly gain a deep understanding of Wedekind and the plays he wrote. Read *Wedekind in an Hour* and experience his plays like never before. **Know the playwright, love the play!**
