Prospects of Legal Semiotics

Prospects of Legal Semiotics

This book examines the progress to date in the many facets – conceptual, epistemological and methodological - of the field of legal semiotics. It reflects the fulfilment of the promise of legal semiotics when used to explore the law, its processes and interpretation.

This study in Legal Semiotics brings together the theory, structure and practise of legal semiotics in an accessible style. The book introduces the concepts of legal semiotics and offers an insight in contemporary and future directions which the semiotics of law is going to take.

A theoretical and practical oriented synthesis of the historical, contemporary and most recent ideas pertaining to legal semiotics, the book will be of interest to scholars and researchers in law and social sciences , as well as those who are interested in the interdisciplinary dynamics of law and semiotics.
