Adorable Photographs of Our Baby: Meaningful, Mind Stimulating Activities and More for the Memory Challenged, Their Loved Ones, and Involved Professionals Susan Berg

This book may seem simple at first glance, but the book will provide a wealth of useful information for family members and involved professionals of the memory impaired and hours of enjoyment for memory challenged persons. This book will not only stimulate conversation but will also provide a meaningful pastime by rousing the reader/listener's memories, observations and life experiences. This book can also be used in a group setting in order to foster positive relationships, boost self esteem, and further stimulate the mind. Baby pictures were chosen for this book because for many of the memory impaired, the time when their own children were young often remains lucid to them and arouses happy memories
