Jack makes some interesting connections, professionally and personally, as he digs through old legal files. Maybe Hidden Falls won't be so dull after all. Liam would give anything for dull, ordinary life again. He's at the end of his rope, but he can't hide forever. Will confessing to Dani make things better or worse? Nicole and Ethan want to find Quinn, but they can't deny they're reconnecting because of his absence. Together, they gain access to old records at the cemetery—and learn that Quinn was intrigued by them, too. Sylvia wrestles with the decision whether to open the box from her attic. Quinn's box. Of course she's curious, but will opening it betray his trust—or worse, concede he might never come home? The recent events in Hidden Falls have brought some together and driven others apart, but it takes a ferocious act of nature to remind the town how precious life really is.

As friends and loved ones try to track Quinn down, they realize thirty years of small-town secrets build to a mystery that no one can solve alone. Will they find him alive to thank him? Catch all the episodes of Season 1 in these re-released collections.
