Militant Islamist Ideology: Understanding the Global Threat CDR Youssef H. Aboul-Enein USN

In offering a comprehensive explanation of how militant Islamists have hijacked the Islamic religion, Aboul-Enein provides a realistic description of the militant threat, which is far different and distinct from Islamist political discourse and the wider religion of Islam. A key adviser at the Joint Intelligence Task Force for Combating Terrorism, he argues that winning the war against Militant Islamists requires a more complete understanding of their ideology. Clearly defining the differences between Islam, Islamist, and military Islamist, he highlights how militant Islamist ideology takes selected fragments of Islamic history and theology and weaves them into a narrow, pseudo-intellectual ideology to justify their violence against Muslims and non-Muslims alike.
