What's to Love: Cyanide & Happiness is one of the longest-running, most popular, humor comic strips on the web, easily earning millions of hits per week. With its crudely drawn art and snarky humor, Cyanide & Happiness has touched many a funny bone and is accessible to a legion of fans worldwide.

What It Is: Once again, creators Kris Wilson, Rob DenBleyker, and Dave McElfatrick combine some of their best strips and a host of never-before-seen comics into a new, collected book. In the best, sickest tradition, Cyanide & Happiness' simply drawn figures and the wildly inappropriate topics they cover—including cannibalism, murder, and incest—is most reminiscent of South Park, but offers a profane sensibility all its own. Includes a foreword by comedian Bo Burnham and Poetry Corner, a collection of demented rhymes.
