## **Defining Moments: Stories of Character, Courage and Leadership** Gordon Zacks

I was born the year Hitler came to power. There was no Israel. There was a Holocaust. Six million Jews were slaughtered for the crime of being born, and hardly a blip registered on the world's conscience. The world was indifferent-it pretended not to know. Israel was created in 1948, and I decided I wanted to be part of the rebirth of the Land and the redemption of the People of Israel. That has been my passion . . . and my purpose. That was my defining moment. I have had the privilege to work with some extraordinary and courageous people who taught me valuable lessons about leadership and life. These stories are first-hand accounts of how people-some famous, some not-followed their passion, lived their purpose, and aspired to be part of something greater than their selves. These people had the courage to seize their moment and make the world a better place, revealing valuable lessons on the path to a more rewarding life.
