*Anyone could be hiding a secret...*

Marie Bustamante does not trust or love easily. Growing up with a philandering father and an overprotective mother, she comes by her reservations honestly. So after only three months, how can she be falling for her best friend's bodyguard? This isn't like her at all. But Elliott Tanner is strong, gorgeous and...trustworthy. Honest. At least he seems to be. Of course, some things about him remain a mystery. Protecting the privacy of his clients is Elliott's job. That doesn't mean he's hiding anything from *her*. Does it?
