Representation Monica Brito Vieira, David Runciman

What is representation? What does it mean when a politician represents citizens in government? How can citizens be represented beyond the boundaries of the nation-state?

These are just some of the questions which will be answered by David Runciman and Mónica Brito Vieira as they explain why representation should be understood as one of the key concepts in modern politics. The first part of the book examines the historical roots of the concept of representation, from its origins in ancient Rome through to its role in the revolutionary politics of the modern world. The second looks at different varieties of representation – in law as well as politics. The final part asks how the concept of representation can help us think creatively about current and future challenges facing the world.

Representation is too often treated as a secondary or qualifying idea – as in the phrase ‘representative democracy’. This book argues that we have this the wrong way round. Representation is the foundational idea in almost all areas of our political life. Making sense of representation in its own terms is crucial for seeing why democracy functions the way it does, and for exploring how it might function differently.

From reader reviews:

Claire Underwood:

Hey guys, do you wish to find a new book to see? Maybe the book with the title Representation suitable to you? Typically the book was written by renowned writer in this era. Typically the book titled Representation is one of several books that everyone reads now. This book has inspired lots of people in the world. When you read this review you will enter the new age that you never knew before. The author explained their strategy in a simple way, so all of you can easily understand the core of this book. This book will give you a wide range of information about this world now. So you can see the representation of the world in this particular book.

Abel Mulholland:

Are you kind of a hectic person, only have 10 as well as 15 minutes in your day to upgrade your mind skills or thinking skills actually analytical thinking? Then you are receiving a problem with the book in comparison with can't satisfy your short space of time to read it because this all the time you only find a review that needs more time to be examined. Representation can be your answer as it can be read by an individual who has those short time problems.

Patricia Humes:

This Representation is a new way for you who has an interest to look for some information mainly because it relieves your hunger for knowledge. Getting deeper you are getting knowledge more you know otherwise you who still have a small amount of digest in reading this Representation can be the light food in your case because the information inside this kind of book is easy to get by means of anyone. These books produce themselves in the form which is reachable by anyone, yeah I mean in the e-book type. People who think that in guide form make them feel tired even dizzy this e-book is the answer. So there is absolutely no problem in reading an e-book especially this one. You can find what you are looking for. It should be here for anyone. So, don't miss the item! Just read this e-book style for your better life along with knowledge.

John Fouts:

That guide can make you feel relaxed. That book Representation was multi-colored and of course has pictures around. As we know that book Representation has many kinds or types. Start from kids until youngsters. For example Naruto or Investigator Conan you can read and believe you are the character on there. Therefore, not all of the books usually make you bored, any of them makes you feel happy, fun and relaxed. Try to choose the best book for yourself and try to like reading that.
